

Artwork Template

Custom Printed Balloons

Email artwork to: balloons@balloonsgalore.com.au

Diagram below is not to scale and is for illustration purposes only.

Artwork Guidelines

Print Direction

Neck Down

For balloons inflated with Helium
or attached to Cups & Sticks

Neck Up

For balloons inflated with
air for suspending.

Artwork Format

FIGURE 1

FIGURE 2

FIGURE 3

All artwork must be supplied in a black & white line art format and only then will be deemed as "camera ready". Gradient or Halftone artwork is not regarded as camera ready. If artwork requires any manipulation an additional art charge may apply and require additional production time.
